

# Scrum report for the week of 11/9

What have we worked on?

- Submitted Deliverable 1 last week
- Completed steps 3 and 4 of the project description, outlined [here](#)

What will we be working on next?

- Working on looking at population in general, as specified by the client at this week's meeting

Have we run into any issues? Do we need help?

- We just weren't sure what the client wanted us to do. We'll need help in these last few weeks to make sure we're on the right track

Have we talked to the client recently? When are we meeting with them next?

- We spoke with them this week. We are unsure when we'll be meeting them next.
