

Scrum report for the week of 11/30

What have we worked on?

- Completed Deliverable 3
- Working on the final presentation

What will we be working on next?

- Completing work for the final presentation and the final deliverable

Have we run into any issues? Do we need help?

- We would love to get feedback from Spark! On our deliverable

Have we talked to the client recently? When are we meeting with them next?

- Last spoken at the final presentation and got great feedback!
