

Scrum report for the week of 11/2

What have we worked on?

- Completing steps 1 and 2 for Deliverable 1

What will we be working on next?

- Steps 3 and 4 of the project description, outlined [here](#)

Have we run into any issues? Do we need help?

- We'd had continuing GeoPandas issues, but we've been able to work around them for now

Have we talked to the client recently? When are we meeting with them next?

- We may be meeting with them next week
