- **What have I worked on?**

  We finished the script by using google StreetView API.

- **What will I be working on next?**

  We will be working on getting the classifier, which classifies images into two classes: parking lots, none parking lots.

- **Have I run into any issues? Do I need help?**

  N/A

- **Have I talked to the client recently? When are we meeting with them next?**

  Yes, we meeting them next Friday.
